Cape May Courthouse, New Jersey 08210-1601  
RE: 2019 Local Bridges Fund

Dear Freeholder Director Beyel:

On behalf of Governor Philip D. Murphy, I am pleased to inform you that Bergen County will receive an allotment from the Transportation Trust Fund as part of the Local Bridges Fund Program for the following Bridge Projects:

1. Corson Inlet Substructure Rehabilitation for \$918,652.00
2. Townsends Inlet Bridge Spans 1-7 Replacement for \$1,000,000
3. Ocean Drive (Cr621) over Middle Thorofare Bridge Railing Replacement for \$1,000,000

The New Jersey Department of Transportation has dedicated \$47.3 million in the Fiscal Year 2019 Transportation Capital Program for local bridge projects.

The Local Bridges Fund Program provides funds to all 21 counties for preservation of bridges at the local level. As part of its Statewide Capital Investment Strategy, the NJDOT is focusing on bridges under the jurisdiction of counties with an emphasis on repair, reconstruction and replacement of those bridges with the greatest structural deficiencies.

As part of the Department's Commitment to Community, NJDOT provides statewide assistance for local governments for improvements to and preservation of the local transportation network, which makes up about 90 percent of New Jersey's roadways. The successful completion of your project will help achieve this goal and provide your constituents and everyone that uses local roads a transportation system that provides the mobility they deserve.

The NJDOT's Local Aid District Office is in the process of preparing the necessary State Aid agreements for the project/projects referenced above.

If you should have any questions, please contact Sal Mikhael, Manager of the NJDOT Local Aid District Office in Cherry Hill at 856-486-6618.

Sincerely,

A handwritten signature in cursive script, appearing to read "Diane Gutierrez-Scaccetti".
